

## THEMES!!!

Each week, trips are organized around a theme, allowing travelers to choose what interests them most. Minimum enrollment is one week!

## TIME & TRAVEL

Oasis operates Monday through Friday from 9am - 5pm. Teen Travelers generally depart for their daily trips at 9:30 am and arrive back at camp by 4pm.\* Families are welcome to drop their travelers off directly at the site. Morning drop-off starts at 8:30am and afternoon pick-up is by 5:30pm. Travelers are allowed to leave on their own if a signed permission slip is provided by their parent or guardian. Oasis is not open on July 4th.

All trips are taken on professionally-driven, air-conditioned buses.

Oasis bus service to camp features pick-up and drop-off stops at a number of convenient locations in select neighborhoods at an additional cost.\*

\*Over the summer a number of trips will either leave before 9:30am or arrive back at camp after 4:30pm. This will be clearly communicated in the schedule and by your Teen Travel Director.

**Oasis bus service to and from home is not available on these days!**

## FOOD & MONEY

Travelers bring their lunches from home in insulated lunch bags. While travelers may bring money on trips there is often not enough time to purchase food! During overnights & certain late evenings, food will be provided.

# WHAT IS TEEN TRAVEL?

For Teens Ages 12-14; entering 7th, 8th & 9th grade.

Our Teen Travel program is an opportunity for teens to broaden their horizons! Daily trips to destinations in Long Island & the New York area include:

- ▶ Museums, Beaches, Baseball Games, Amusement Parks
- ▶ Interactive workshops with talented professionals
- ▶ Community service projects - teens take on leadership roles in these events to raise funds & awareness.
- ▶ Overnight camp excursions & late night socials!
- ▶ Teens leave Oasis with a new appreciation for their surroundings.
- ▶ Learn new skills while forming meaningful friendships!

## OVERNIGHTS & SOCIALS

Teen Travel also includes great one-night overnight camping excursions and late-night socials. Both are a wonderful way for our budding young-adults to experience autonomy and freedom while under the supervision of our experienced staff.

- ▶ Outdoor adventure overnights - rafting, ropes course, camping & S'mores
- ▶ Beach Overnight - beachside carnival rides, a cruise excursion & boardwalk excitement.
- ▶ Broadway Shows - music, dancing & the lights of Broadway!
- ▶ Adventure Parks - thrilling rides & plenty of fun for those less adventurous.
- ▶ Water Parks - a fun way to cool off with friends on hot summer days!

No matter the week or trip, Teen Travelers leave Oasis with a new appreciation for their surroundings, as well as learning new skills and forming meaningful friendships. The skills they attain can be applied in all aspects of their lives and will help them become stronger, more invested leaders both in school and in their communities.
