

Happy Fall Everyone,

So, another camp season is in the books and the transition back to school is complete. What a wonderful summer we had – being outdoors and off screens, exploring new activities, making new friends, and trying new things. When I reflect on last summer, my heart is full of gratitude for our campers, our staff and particularly for you, our camp parents who have trusted us with your children.

To our amazing staff who worked tirelessly all summer to give your children an incredible camp experience – thank you! This is a terrific group, and I am thankful for each one's dedication, and enthusiasm.

To our campers who showed up every morning with excitement in their eyes. They are the reason we do what we do – thank you! Our campers were engaged and open to trying new things each day while creating memories that will last a lifetime, making lifelong friends and learning skills for life.

And to our camp parents who trusted, encouraged, and supported us along the way – thank you! We could not have done this without you. We are so thankful that you shared your children with us this past summer. We care about our camp families, and we are so grateful you have all become part of the Oasis Day Camp family.

As the days ahead grow colder and the leaves begin to change, I hope our campers remember their camp experiences, their camp friends, and their camp counselors with fondness.

Yes, what a wonderful summer! Thank you for being such an important part of it. Be on the lookout in the coming months for exciting info about summer 2022.

We can't wait to see you next summer!
With warm regards,

Steve Miller
Camp Director
