Early Start Imagination Camp 

# What is ESIC?

Our Early Start Program is a camp within a camp designed to offer our youngest campers a true Oasis experience at their level. Our program is designed to meet the social, emotional and physical needs of our early start campers, while including all the exploration and play of a true summer camp experience. Our Early Start program provides preschoolers a safe, supportive and fun environment in which to play, explore and learn over the summer months.
